Book Overview:

Iâ€™m safe in the ivory tower Gabriel Miller made for me. Thatâ€™s what he says. Enemies lurk outside, waiting to strike. An army of enemies held back by these walls.

Except some animal instinct warns me the danger is much closer. Itâ€™s already here. Is Gabriel Miller my protector or my enemy? Is this house a castle or a cage?

Thereâ€™s nowhere for me to go, no one left for me to trust.

No escape from a past determined to capture its prize.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
